

Overseas opportunity for Students of Jeppiaar Institute of Technology

With the view of inspiring and motivating the students to perform better in academics our college management is to offer internship programmes(Fully Funded) with reputed institutions outside the country. Best performers in all the Departments can make use of this opportunity for their betterment. In this way the following students are to undertake a Six days internship programme at Management Development Institute of Singapore(MDIS) in Singapore from 1st Aug to 6th Aug 2016
