VISION OF THE DEPARTMENT

- To produce Engineers with visionary knowledge in the field of Computer Science and Engineering through scientific and practical education in stance of inventive, modern and communal purpose for the improvement of society.

MISSION OF THE DEPARTMENT

- Devise students for technical and operational excellence, upgrade them as competent engineers and entrepreneurs for country's development.
- Develop the standard for higher studies and perpetual learning through creative and critical thinking for the effective use of emerging technologies with a supportive infrastructure.
- Involve in a constructive, team-oriented environment and transfer knowledge to balance the industry-institute interaction.
- Enrich students with professional integrity and ethical standards that will make them deal social challenges successfully in their life.

ABOUT TECHISETZ

Techisetz 2K19 is a national level technical symposium organized by the department of Computer Science and Engineering held at Jeppiaar Institute of Technology on 9th Feb 2019.

A one-day event organized so that experts in the given field can meet, present papers, participate in various technical and non-technical events, where it acts a platform for students to exhibit their talents and innovative ideas.
