Vision of the Department

To foster contemporary Skills in the field of Electrical and Electronics Engineering with innovatory Skills, Global Understanding and Nation building for the progress of Humankind.

Mission of the Department

- To Encompass Quality Engineers with skills as persevere to enrich the global technically.
- To engage in research activities leading to innovative application of technology with Industrial approach for the benefit of mankind.
- To provide quality structure and beneficial learning system.
- To enable them as responsible human who value Ethics and environment.

About Elixir 2K20

ELIXIR 2K20, a National level technical symposium organized by the department of Electrical and Electronics Engineering at Jeppiaar Institute of Technology on 08th Feb 2020.

A full day event coordinated with the presence of experts from the various fields can present their ideas through paper presentation, can participate in various technical and non-technical events, which appear to be a platform for students to exhibit the talents and gain a greater knowledge in both Technical and Non-Technical advents.

STAFF COORDINATORS

Mr.A.Antony Charles – AP/EEE

Mobile:7448752332

STUDENT COORDINATORS

1. M.Amaleksatheesh Mon
2. D.Harikrishnan

Event Details

TECHNICAL EVENTS

- Project&Paper Presentation
- Technical Huntz
- Circuit debugging
- Robo war

NON – TECHNICAL EVENTS

- Treasure Hunt
- Short film
- Junk Art
- Fun Games

Registration Details

Total number of students registered for the Events: 350

- Paper Presentation –110
- Technical huntz – 50
- Circuit debugging– 50
- Robowar – 65
- Junk art-75
