VISION OF THE DEPARTMENT

To facilitate the evolution of problem solving skills along with knowledge application in the field of Information Technology, understanding industrial and global requirements for the benefit of the society.

MISSION OF THE DEPARTMENT

- ✦ To produce creative and productive computing graduates in software development being aware of global requirements and maximize employability.
- ✦ To enhance evolution of professional skills and development of leadership traits among the students to grow into successful entrepreneurs.
- ✦ To offer students an advantageous infrastructure to apply their research thoughts and develop their technical skills.
- ✦ To escalate the moral code and honesty in the professional activities.

ABOUT TECHISETZ

Techisetz 2K18 is a national level technical symposium organized by the department of Information Technology and department of Computer Science and Engineering held at Jeppiaar Institute of Technology on 21st Jan 2017.

A one-day event organized so that experts in the given field can meet, present papers, participate in various technical and non-technical events, where it acts a platform for students to exhibit their talents and innovative ideas.
