VISION OF THE DEPARTMENT

To facilitate the evolution of problem solving skills along with knowledge application in the field of Information Technology, understanding industrial and global requirements for the benefit of the society.

MISSION OF THE DEPARTMENT

- ✚ To produce creative and productive computing graduates in software development being aware of global requirements and maximize employability.
- ✚ To enhance evolution of professional skills and development of leadership traits among the students to grow into successful entrepreneurs.
- ✚ To offer students an advantageous infrastructure to apply their research thoughts and develop their technical skills.
- ✚ To escalate the moral code and honesty in the professional activities.

ABOUT TECHSTORM

TechStorm 2K20 is a national level technical symposium organized by the department of Information Technology held at Jeppiaar Institute of Technology on 08th Feb 2020.

A one day event organized so that experts in the given field can meet, present papers, participate in various technical and non-technical events, where it acts a platform for students to exhibit their talents and gain a greater degree of knowledge.

EVENT SUMMARY

TechStorm 2K20 is a national level technical symposium organized by the department of Information Technology held at Jeppiaar Institute of Technology on 08th Feb 2020. In this Symposium totally 6 events were conducted, 5 of which were Technical events and 1 non-Technical. A total of 95 students registered from colleges all over Tamil Nadu and actively participated in the events. The events conducted were Paper Presentation, Code Combat, Brain Buster, Win Expert, Scavengers Hunt and Connexions. The students used this platform to present their creative and innovative ideas and skills. At the end of symposium, the prize distribution ceremony was conducted and prizes were given to winners of all events followed by the Vote of Thanks delivered by Mr R. Annamalai, Associate Professor, Department of Information Technology.
