INSTITUTE OF TECHNOLOGY

"Self Belief | Self Discipline | Self Respect"

DESIGN CLUB

DEPARTMENT OF MECHANICAL ENGINEERING

DEPARTMENT VISION

To enhance advanced technical education in the field of Mechanical engineering with the view of transformation in societal and industrialized requirements offering a platform for excellence towards mankind.

DEPARTMENT MISSION

- ❖ To develop quality education with the global need.
- ❖ To provide state of art facilities to faculty members and students to apply their innovative thoughts towards communal development.
- ❖ To facilitate team work culture and promote student community to adapt industrial setup.
- ❖ To develop the research fervour among the students and encourage them to shape inventive ideas.
- ❖ To serve the global community by ethical values and core skills.

OBJECTIVE OF THE CLUB

The club aims to technically strengthen the students by integrating their skills in the various fields of Engineering & technology, to cope up with the highly competitive environment. The activities of the club include:

- ❖ To kindle and enrich the creativeness among the students of the club.
- ❖ To give an exposure on design methodologies and product development strategies.

PREREQUISITE

A learner who wants to go ahead with this tutorial needs to have basic concepts Engineering Graphics and machine drawings with deep learning of Understanding the both.

STAFF COORDINATORS

1. Mr.D.Arunkumar Assistant Professor, Department of Mechanical Engineering.
2. Mrs.I.Sharon Marishka , Associate Professor, Department of Mechanical Engineering.

CLUB EVENTS

2019 - 2020

S.No	Date of The Event	Event Description	Number of Participants
1.	10.02.2020	Hands on Training in Design for Manufacturing 1. Mr.D.Arunkumar 2. Mrs.I.Sharon Marishka	40
