CLEAN INDIA

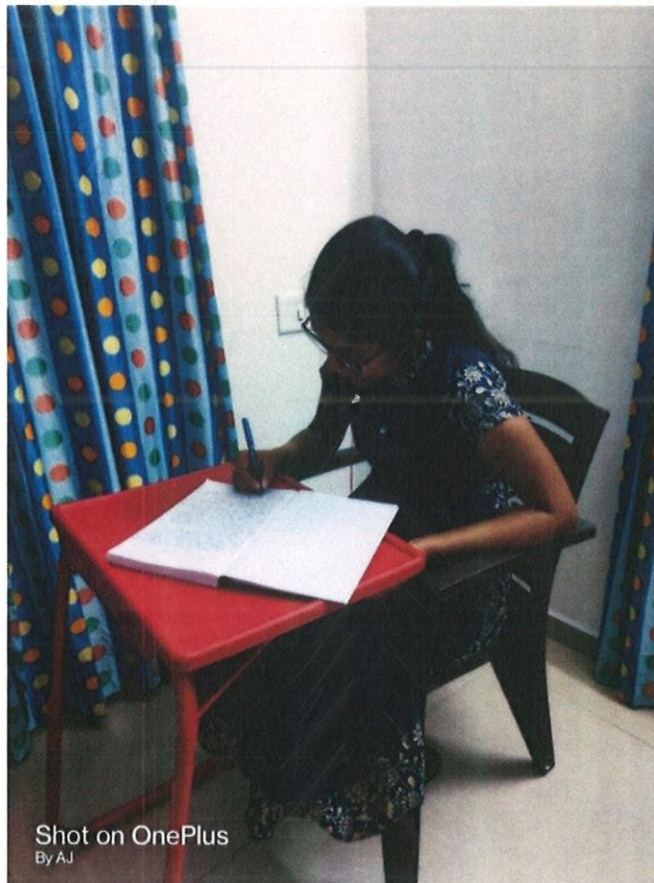

The 'clean India mission' was started on 2nd October 2014. Gandhiji supported cleanliness, so his birthday was selected for launching this mission. It is a national level movement started by the government of India. The Prime minister, Sri Narendra Modi, launch this movement at Rajghat in new Delhi. He addressed the citizens of India to encouraged to participate in it.

How to clean India?

People can make India clean in a number of ways. Indians must certainly use paper bags. Avoid poly-bags is a must. Segregating wastes is also very important. It is something which many Indians ignore. Most importantly, the segregation of waste at home should be in 3 separate bins. These 3 bins are biodegradable, Recyclable and others. The waste management department should help in implementing this system.

Community cleanliness drive is yet another brilliant way of making India clean. It has a psychological benefit.

Community cleanliness for example, Prime Minister Narendra Modi, began Swachh Bharat Abhiyan.

Republic day is celebrated every year on the 26th of January, this year India will celebrate its 72nd Republic Day. It is celebrated to remember the historic moment when our nation became an independent republic country. After many deliberations and amendments, a committee headed by Dr. B.R Ambedkar submitted a draft of the Indian constitution, which was adopted on 26th November 1949 and officially came into effect on 26 January 1950. On the same day, Dr Rajendra Prasad also began his term as the first President of India. And the Constituent Assembly became the Parliament of India under provisions of the new Constitution.

Every year as a part of celebrations, Republic Day march is held at New Delhi which is an eye-catching element of the festival and it showcases Indian cultural and social heritage. It also showcases the Indian Defence Capability. The President of India, who is the Commander-in-Chief of the Indian Armed Forces, takes the salute.

As the part of celebration 1 [TN] CTC NCC, Army Wing of Jeppiaar Institute of Technology organized a virtual event and conducted amazing competition like Speech, Dancing, Singing, Slogan Writing and Essay Writing. Around 0930 hrs the event started and inaugurated by the Assoc. Professor Dr. Prajith Prabhakar care taker of NCC JIT and he also encouraged our cadets to take part in the competitions. All cadets were enthusiastically participated and performed well in all the competitions. The event is conducted through google meet. Around 1000 hrs the program is concluded with National Anthem.
