CIRCULAR

DEPARTMENT OF TRAINING AND PLACEMENT

This is to inform that all the Eligible 2015-2019 Batch Students will undergo the undermentioned **TECHNICAL TRAINING FOR C, C++**. The HODs and the Placement Coordinators of Departments concerned are requested to intimate the students regarding the above Training Programme. Attendance is made compulsory for all the students and absentees will be dealt seriously. The respective HOD'S are requested to detail a Placement Coordinators to monitor the conduct of the training and forward list of absentees if any for suitable disciplinary action.

With a view to break monotony and to promote team learning, students from the 2015-2019 batches have been divided into branches and thus creating a heterogeneous team to promote peer learning from each other. It is therefore instructed that all the Eligible students undergoing the above training Programme to make use of the opportunity created to promote better teaching and learning experience. The details of allotment of class rooms can be referred from Placement Cell notice board.

REPORT

DEPARTMENT OF TRAINING AND PLACEMENT

(Batch: 2015 -2019)

Department of Training and Placement organized and conducted **TECHNICAL TRAINING FOR C,C++** for 2015-2019 batch from 17.06.2015 TO 22.06.2015 between 8.00 A.M to 3.00 P.M. The session was very interactive, students effectively participated and gained knowledge. In order improve the students performance, assessment were conducted on a regular basis.

CIRCULAR

DEPARTMENT OF TRAINING AND PLACEMENT

(Batch: 2012 -2016)

This is to inform that all the Eligible 2016-2020 Batch Students will undergo the undermentioned **TECHNICAL TRAINING FOR JAVA** as per the details given here under. The HODs and the Placement Coordinators of Departments concerned are requested to intimate the students regarding the above Training Programme. Attendance is made compulsory for all the students and absentees will be dealt seriously. The respective HOD'S are requested to detail a Placement Coordinators to monitor the conduct of the training and forward the list of absentees if any for suitable disciplinary action.

With a view to break monotony and to promote team learning, students from the 2016-2020 batches have been divided into branches and thus creating a heterogeneous team to promote peer learning from each other. It is therefore instructed that all the Eligible students undergoing the above training Programme to make use of the opportunity created to promote better teaching and learning experience. The details of allotment of class rooms can be refed from Placement Cell notice board.

PROGRAMME SCHEDULE

- ❖ Programme Duration : 30 Hours (5 Days)
- ❖ Date Schedule of the Classes : 20.08.2015 TO 25.08.2015
- ❖ Time Schedule : 8.00 AM – 3.00 PM
- ❖ Lunch Time : 12.00 AM to 12.45 PM (as per their lunch timings)

Send feedback:

1. Today class is very useful. But we like to have a class on Java programming as lot of questions in wjnet are in Java.
2. Today we have a session on C, C++ and data structures. We like to have a more sessions in programming as we find

CAREER GUIDANCE PROGRAMME FOR HIGHER STUDIES IN
INDIA AND ABROAD

REPORT

DATE: 22.7.16

The session was started by Mr. Atiq Aziz (Director of score getter Test Preparation). Initially the discussion was about the Students interest for doing higher education in India and Abroad, and then elaborated about the different countries that offer higher education. He mentioned about the various countries that provides best education and job opportunity for different domains. The most important part for initial step to get into any university is to attend competitive exams like GRE, TOEFEL, IELTS, CAT etc. He adviced the Students to start preparing for these exams right from this time. Even though the cost for studying in abroad universities is higher he said that it is possible to manage by taking up part time jobs. The Session gave the students a clear comparison about the fee difficulties between abroad and Indian universities. And also enlightened the carrier opportunities that are available after masters. On the whole it was a good session and Students were able to get a clear thought about the higher education in abroad.

REPORT FOR THE WORKSHOP ON

"ENTREPRENEURSHIP DEVELOPMENT CONCLAVE 2019"

Starting your business is like planting a sapling.

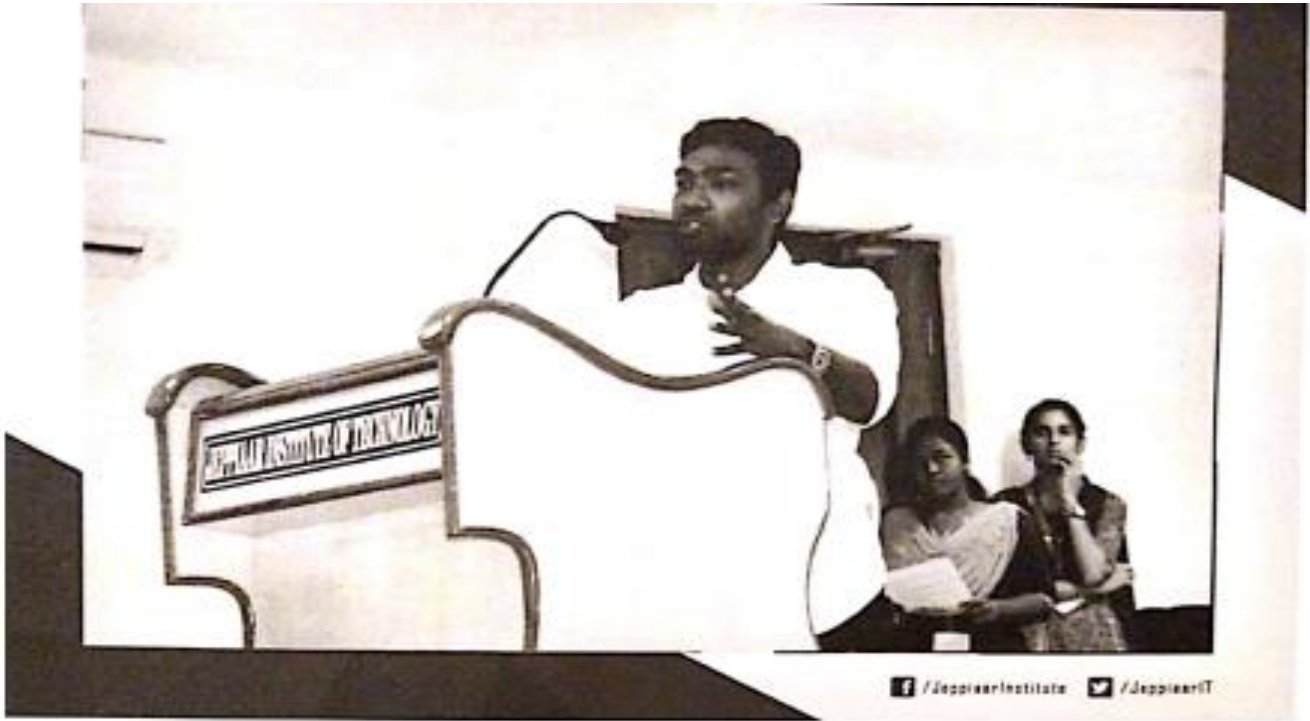

First, you have to invest your time and money, Then, you must take care of expecting nothing in return, But when your startup blossoms, it makes all the patience and hard work While there are many factors leading to the failure of a startup, one of the main reasons is, the lack of expert startup advice founders receive. Experience of a seasoned entrepreneur is precious - and can't replace the experience they've gained through by doing the work, failing, and succeeding. So EDC of Jeppiaar Institute of Technology organized an "Entrepreneurship Development Conclave 2019" to seek the experience of successful entrepreneur. On behalf of EDC, we invited four successful entrepreneurs. Our honorable guest Mr.Senthil Kumar M co-founder Geomeo, Jiovio Mr.Vaidhyanathan G founder of Printlay & K-teq solution , Mr.vignesh D MD Revoh innovations Pvt .Ltd and Mr.Vishal J CEO Max wish technologies & Reginal Head Otomatiks. The exciting conclave started at 10am with a welcome speech and the session was handover to our guest to share their experience on their entrepreneur life style, they share their perspective view on the aspects of business life .That was a informative conclave where we gained lots of information, suggestion which would sculpt our entrepreneur carrier. We thank all beloved persons who act as a backbone to conduct such wonderful, informative conclave. We thank our director sir for giving such excel platform to build our strong platform in entrepreneurial arena.

Dear Students

Congratulations on completing 3 live sessions with Industry Experts from top Product Companies! Hope these sessions helped you a lot in understanding Data Structures and other important topics. **Please fill out the below feedback links by tonight**

- Session 1 by **Apsar Basha** on 14th Aug 2019 - <https://expansion.com/dashboard/dashboard.html#eval/2473>
- Session 2 by **Kumar Ayush** on 16th Aug 2019 - <https://expansion.com/dashboard/dashboard.html#eval/2474>
- Session 3 by **Antony Jose Vijay David** on 17th Aug 2019 - <https://expansion.com/dashboard/dashboard.html#eval/2475>

Also, last week we opened the **Industry Foundation Course - Basics (IFC-Basics)** for you all. This course helps students to understand various Data Structures and its usage under different context. Unfortunately, we do not see any student working on it yet. **We urge you to start working on it right away and complete it before 21st Aug 2019.**

Once you have finished this course, we shall open the **Industry Foundation Course - Advanced (IFC-Adv)** which is to be completed by **25th Aug 2019.**

Feel free to contact me for any queries regarding the same.

This is to inform that all the Eligible 2015-2019 Batch Students will undergo AMCAT Assessment Test from Aspiring Minds on 28 -06-2018.

Thank you for your continued patronage and interest shown on AspiringMinds, India's largest employability assessment. As discussed, we are glad to share **Aspiringminds - Continuous Assessment Plan & implementation** schedule.

We from Aspiring Minds, strive to reach closer to our goal of getting every employable candidate placed. And for those who are not employable, we are committed to being their guide in their journey highlighting their **Strength and Weaknesses**, encouraging them to improve and land in a career. More than **3,00,000** students have been benefited from AMCAT's feedback report on their strengths and weaknesses.

Aspiring minds a Brief Note:

Though you know us, it's our privilege to introduce ourselves and we hope you will find the quality of assessment, diagnostic reports and placement assistance worthy and one of its kinds. We are happy to offer the AMCAT model to benefit to the Management and the students. AMCAT has a proven to be an outstanding assessment tool for companies of all Size and Segments. Our past records also reflect the way companies have appreciated and recognized our assessment.

Flagship Product "AMCAT" Bundled with AMPI & Automata:

Aspiring Minds Computer Adaptive Test (AMCAT) is a multi-dimensional assessment and feedback platform with the dynamic and personalized content providing accurate assessment for employability in various industry sectors and job profiles. It is a **Computer Adaptive Test**, such that it becomes hard for the smart student and easy for the not so smart student, providing **accurate ability measurement**. AspiringMinds' products and solutions have been adopted by major organizations across diverse sector such as BFSI, IT, ITeS, Hospitality, Retail, Life Science, Manufacturing etc.

AMPI - AspiringMinds Personality Module:

AMPI is based on the **five-factor model**, which is by far the only scientifically validated and reliable **personality model for job selection**. AMPI measures five broad-based traits: Extraversion, Conscientiousness, Neuroticism, Openness to Experience and Agreeableness. AMPI is the first statistically validated personality inventory designed for personality analysis of Indians for providing inputs for selection in corporates.

Automata

A path-breaking tool to **evaluate the actual programming skills** (Knowledge of Algorithms, Data Structure, Concepts like Recursion, Dynamic Memory allocation and modular Programming) of a Candidate, giving the candidate an opportunity to **write the program in an Editor, Compile and run test cases**, all in the assessment environment itself. The compiler supports multiple programming languages such as **C, C++, Python, Java, SQL**, etc.

SVAR - Speech Voice Adaptive Ratter (Communication Skill Tester)

SVAR's advanced speech processing and AI algorithm pinpoint the **Spoken English Skills** that the students' needs to excel in Interview and Job. Assessing Pronunciation, Fluency, Intonation, Listening and Language Anticipation Skills, Spoken English Understanding and Extempore Skills, the tool provides a comprehensive evaluation. The test uses a combination of reading and speaking sentences, listening, and repeating sentences and words, listening comprehension passages and free speech to evaluate the candidate.

WriteX (Writing Skill Tester)

WriteX helps you in assessing the overall quality of a **candidate's written sample**. The sample could be an essay that the candidate has been asked to write on and automatically grades him or her on the quality of the write-up. It takes into consideration all major factors that attribute towards the construction of a great write-up like Grammar, Usage, Mechanics, Style, Organization & Development etc. While the mechanics of language like grammar and phonetics play the most important role in defining good writing, WriteX also takes into consideration, aspects like what is the candidate's view on the topic offered to him or her, how does he or she organize his or her flow of thoughts and more.
