CO CURRICULAR ACTIVITIES

Academic Year 2015 – 2016

S.NO	EVENT	NAME OF THE EVENT	PERIOD	TOTAL NO OF EVENTS
1.	Competition	Computer Hardware and Software Assembling	14.07.2015	08
2.		Aptech	23.07.2015	
3.		SQL Queries	26.08.2015	
4.		Install Fest – Open Software	21.09.2015	
5.		Test your C skills - CSI event	23/01/2016	
6.		Test your C++ skills - CSI event	05/02/2016	
7		Presentational Debate – CSI event	09/03/2016	
8		Technical Quiz - CSI event	21.03.2016	
9	Conference	National conference on recent trends in Computer Science, Information, Electronics, Electrical, Mechanical Engineering and its Applications (CIEEMA 2016)	3.03.2016 - 4.03.2016	01
10	Symposium	TECHISSETZ'16	29.1.2016	01

1. Computer Hardware and Software Assembling

CSI student branch organised a competition the Computer Hardware and Software Assembling on 14.07.2015. Students as teams from various departments participated. Finally, the Winners and Runners were announced.

2. Aptech - CSI event

CSI student branch organised an event Aptech 23.07.2015. Totally 30 number of students participated in the First Round. After First results, Six Team of 18 students participated in the Final Round. They attended the event in a very interactive manner. Then finally team members won the places from III-year CSE and IT.

3. SQL Queries

CSI student branch organised an event SQL Queries 26.08.2015. Students interactively participated in the event. Certificates and prizes were distributed to the winners and runners

4. Install Fest-Open Software

CSI student branch organised an event Install Fest on 21.09.2015. Students from various discipline participated in the event. Students gained and expressed the ideas, usage of new programming languages.

5. Test your C skills

CSI student branch organised the event on 23.01.2016 'Test Your C skills'. Totally 28 students participated. Students actively participated and shared their knowledge with the peer members.

6. Test you C++ skills

CSI student branch organised Organized the event ‘Test Your C++ skills on 05.02.2016. All the CSI students participated and gain the knowledge about C++. Students enthusiastically contributed and written codes in the corresponding programming language.

7. Presentational Debate – CSI event

CSI student branch organised the Technical Debate in “Which is the best Operating System for Smartphone?”. Totally there were 9 teams and Mrs.Vidhya, Assistant Professor has finalized the winners. Finally the winners and runners were awarded with certificates and two best speakers were awarded mementos respectively.

8. Technical Quiz - CSI event

CSI student branch organised the event technical quiz 21.03.2016. Totally 29 number of students participated and they attended the event very interactive manner. Then Final round winners were awarded with prizes

CONFERENCE

9. (CIEEMA 2016)

National conference on recent trends in Computer Science, Information, Electronics, Electrical, Mechanical Engineering and its Applications (CIEEMA 2016) was organised and held on 03.03.2016 to 04.03.2016. Students from various colleges participated and exhibited their ideas. Students participated in paper presentation actively and revealed their research ideas.

SYMPOSIUM

10. TECHISETZ'16

A National level Symposium “**TECHISETZ'16**” at Jeppiaar Institute of Technology on 29.01.2016. More than 100 students from various colleges has participated in our events. The symposium comprises of various Technical events like paper presentation, Techno Connect, Code Buzz, Blind Code, Code Hunt.
