ABOUT US

The Department of Information Technology facilitate the Students to enhance the learning and Problem-solving skills along with the practical application in the field of Information Technology to improve their technical and soft skills and to be effectively involved in corporate competitions, research and Mini Projects.

The main focus is on academic excellence of students, faculty members motivate the students to participate in technical activities for enhancing their fundamental technical knowledge. Students are also encouraged to participate in various inter-disciplinary and industry sponsored contests as well as cultural events in and outside the college. Our students make best use of these opportunities and bring laurels to the Department.

The Department of Information technology is associated with Computer Society of India – Chennai Chapter (CSI), IEEE-CS (Computer Society) and Indian Society for Technical Education (ISTE).

"Art without Engineering is Dreaming. Engineering without art is Calculating"

- Steven Roberts

VISION OF THE DEPARTMENT

The department will be an excellent center to impart futuristic and innovative technological education to facilitate the evolution of problem-solving skills along with knowledge application in the field of Information Technology, understanding industrial and global requirements and societal needs for the benefit of humanity.

MISSION OF THE DEPARTMENT

- M1:   Produce competent and high-quality professional computing graduates in software development considering global requirements and societal needs thereby maximizing employability.

- M2: Enhance evolution of professional skills and development of leadership traits among the students by providing favorable infrastructure and environment to grow into successful entrepreneurs.

- M3:   Training in multidisciplinary skills needed by Industries, higher educational institutions, research establishments and Entrepreneurship.

- M4:   Impart Human Values and Ethical Responsibilities in professional activities

EXOTICA 2.0

A National Level Project Expo to unleash the talents of all engineering and science stream students was held at Jeppiaar Institute of Technology on 28th August 2019 with all elegance and innovations.

The prime focus of the day was to elicit, exhibit, evaluate the student talents and rewarding them. The National Level Project Expo and Competition, with the leadership from eminent professional bodies CSI and ISTE, attracted the best student projects from eminent technical colleges. Visitors to this exceptional event gained a worthwhile learning experience.
