## **Workshop on SOCIAL SURFING 25.09.2015**

The NSS Volunteers of Jeppiaar Institute of Technology attended a Workshop on SOCIAL SURFING in Rajiv Gandhi National Institute of Youth Development, Sriperumbudur. The workshop was conducted in a collaboration with Centre for Social Research, Delhi. A vibrant set of volunteers from Centre for Social Research handled the session for around 80 students from Jeppiaar Institute of Technology and Rajiv Gandhi National Institute of Youth Development. The session commenced at 10.00 AM and concluded at 3.30PM. It began with the Director of Rajiv Gandhi National Institute of Youth Development giving the presidential address. It was a pot-pourri of brainstorming ideas on social campaigns, interactive sessions with ice-breaking activities, and information on social media security.

The issues of counter speech, trolls on social media, security and privacy controls on these social networking sites was explained in detail. In the social campaign session each team was heterogeneously mixed up and had to present the working stages of hosting a campaign. The best campaign would be selected by Centre for Social Research, Delhi to be implemented as a real time campaign. Issues like student suicides, youth empowerment, gender sensitivity, LGBT awareness and clean India were widely discussed on the platform with a thorough plan by teams. The event ended with a fruitful networking session with CSR team and RGNIYD students.

## **SPIC MACAY - Society for the Promotion of Indian Classical Music and Culture Amongst Youth 08.10.2015**

On the evening of 8<sup>th</sup> October, 2015, there was an inauguration program of SPIC MACAY - Society for the Promotion of Indian Classical Music and Culture Amongst Youth from 4:30pm to 6pm at Rajiv Gandhi National Institute for Youth Development (RGNIYD), Sriperumbudur. The NSS Volunteer students of Jeppiaar Institute of Technology were also present amongst the students of the neighbouring colleges, to witness, experience and be inspired by the mystic embodiment of the Indian culture. SPIC MACAY is a non-political, nationwide, voluntary movement which works to promote Indian classical music and culture amongst Indian youth.

Mr. Chinmaya Raja, an active SPIC MACAY volunteer addressed the audience. This was followed by a delightful dance and ear-soothing Percussion performance by the Manipuri Dance

troupe from Manipur University. For about an hour, they performed the Classical Manipuri dance - Punk Cholom (Punk is a form of hand-beaten drum and Cholom is a graceful dance with acrobatic effects). It started with a gentle rhythm, which gradually built up to a thunderous climax. They also lit the stage with a dance with Dholak, usually done during Holi. Finally, the NSS volunteers met with the artists and congratulated their performance. Altogether, it was a wonderful experience!

### **Medical Camp 10.10.2015**

National Service Scheme, National Cadet Crops and National Service Scheme Units of Jeppiaar Institute of Technology, jointly organised a one day Medical Camp in the College Campus on 10.10.2015 from 9am to 4pm. Doctors and Medical assistants from Saveetha Dental college, Poonamallee and AG Eye Hospital, Mylapore rendered their services in the health camp which was organized with the objective of providing free oral and eye examination. More than five hundred people from the nearby villages made use of the camp and received treatment and guidance for their ailments and disorders. The patients in need of further medical care were given a report card mentioning the nature and status of the ailments and disorders, along with the prescribed diagnosis and the address of centre for further treatment. Dr.N.Marie Wilson, Director of Jeppiaar Institute of Technology has offered free spectacles to all the patients who were diagnosed and prescribed by the doctors in the camp.

### **The Youth Awakening Day 15.10.2015**

The Youth Awakening Day, October 15, is significant as it commemorates the birthday of the late former President of India and an inspirer of the Indian Youth and students worldwide, Dr. A P J Abdul Kalam. To mark this day, under the direction of Mr. Sasi Kumar, Programme Officer, National Service Scheme (NSS) Volunteers of Jeppiaar Institute of Technology had gone to a nearby village, Kunnam, to understand and instill a social-service mindset to the new NSS volunteers. At the Kunnam Government School, the NSS Volunteers witnessed the speeches given by the school students on Dr. A P J Abdul Kalam, his life, achievements and his famous quotes. One of our NSS Volunteers, Mr. Jaya Prakash, also gave a thought-provoking speech to the students, while Mr. Sasi Kumar addressed them.

After the Speech Competition, the NSS volunteers initiated a rally on the Awareness of the Youth Awakening Day. The NSS volunteers, the school students and their staff participated in it and rallied through the streets of Kunnam, while several villagers watched. Once the rally ended successfully, the school students and staff were provided with tea and biscuits sponsored by Jeppiaar Institute of Technology. Then, the NSS volunteers spent some time interacting with the school students.

## NATIONAL CADET CORPS

### NATIONAL INTEGRATION CAMP – 2015

NIC (National Integration Camp) is special type of camp which involves the participation of all the 17 directorates. As the name suggests, National Integration Camp involve cadets from all over India. The main aim of this camp is community living. As compared to all other camps which lay emphasis on drill, PT, Weapon training, etc. The focus of NIC is on cultural activities. And if you see from my point of view, you are put to live with people from all over India. A diverse country in which more than 400 languages are spoken. You'll get to know about the culture of every part of India.

So, this camp will teach you community living, how to adapt according to people when you meet them. Plus of course you'll get to participate in Quizes, Skid, cultural dance events and hell lot of other activities.

Jeppiaar Institute of Technology organized the National Integration Camp (NIC) in Association with 3 [TN] BN NCC, Kanchipuram from 2 Jan 2015 to 13 Jan 2015. Around 600 cadets and 25 ANOs participated in the camp.

**“ENTREPRENEURSHIP DEVELOPMENT CONCLAVE 2019”**

Starting your business is like planting a sapling.

First, you have to invest your time and money, Then, you must take care of expecting nothing in return, But when your startup blossoms, it makes all the patience and hard work While there are many factors leading to the failure of a startup, one of the main reasons is, the lack of expert startup advice founders receive. Experience of a seasoned entrepreneur is precious - and can't replace the experience they've gained through by doing the work, failing, and succeeding. So EDC of Jeppiaar Institute of Technology organized an “Entrepreneurship Development Conclave 2019”to seek the experience of successful entrepreneur. On behalf of EDC, we invited four successful entrepreneurs. Our honorable guest Mr.Senthil Kumar M co-founder Geomeo, Jiovio Mr.Vaidhyanathan G founder of Printlay & K-teq solution , Mr.vignesh D MD Revoh innovations Pvt .Ltd and Mr.Vishal J CEO Max wish technologies & Reginal Head Otomatiks. The exciting conclave started at 10am with a welcome speech and the session was handover to our guest to share their experience on their entrepreneur life style, they share their perspective view on the aspects of business life .That was a informative conclave where we gained lots of information, suggestion which would sculpt our entrepreneur carrier. We thank all beloved persons who act as a backbone to conduct such wonderful, informative conclave. We thank our director sir for giving such excel platform to build our strong platform in entrepreneurial arena.

## REPORT ON DANCE TEAM ACADEMIC YEAR -2016-17

Dance team of Jeppiaar institute of Technology is a unified team of talented dancers who come from diverse backgrounds but share a common interest of dance. They have an exclusive well equipped dance studio, where they practice for dance competitions.

These dancers showcased their talents by participating in various events. These collegiate dance team members are diverse as the styles of dance they perform. The club encourages students to participate in various competitions. The best part of the club is that equal opportunities are given to the students.

## Design Thinking club Activities 2018-19

### “Towards nurturing and preparing young minds for problem solving “

Jeppiaar Institute of Technology in collaboration with School of Design Thinking (SoDT) inaugurated the Design Thinking Club 2.0 in the presence of our beloved Director, Dr.N.Marie Wilson on the 9th of August, 2018 at the Research and Development cell. It was a great to showcase of ideas and methods that resulted in out-of-the box technical and business thinking from the club members. we are one of the very few institutions to incorporate a Design Thinking Club, as part of the development program for our Students.

Design thinking Course is an Activity based Learning covering 6 modules on solving the problem using Empathy as main tool to improve the end users experience.

**Industrial Tour to School of Design Thinking:**

It's indeed a joyous moment and taking all pleasure in seeing first batch "Design The thinking" certified students for an Industry tour on 23rd July 2018 to FinTech Design Center (part of Intellect group)- the world's first center dedicated for the application of Design Thinking in solving customer problems. Students were able to relate to the concepts they learnt and they had a good feel in experiencing the "Design The Thinking" philosophy. It has been found that inculcating "Design The Thinking" to students is the most need of the hour in solving today's problem in every aspects of life.

Our Director Dr.Marie Wilson was also amidst us in taking the tour and interacting with students in sharing his good thoughts about students growth and development in technological aspects .
