CONFERENCE

S.NO	NAME OF THE FACULTY	TOPIC	ORGANISED BY	ISBN NUMBER
1	M.Kubendiran	Design and Fabrication Of Compact Hydraulic Injection moulding Machine	RRASE College of Engineering	978-93-5757-106-7
2	M.Kubendiran	Development and characterisation of Natural Fibre Reinforced Brake Pad	RRASE College of Engineering	978-93-5757-106-7
3	D.Ajith Kumar	Impact of Zinc Oxide nano Particle on Outcome Characteristic of an agricultural Diesel engine Powder by Waste cooking oil Bio diesel Blends	RRASE College of Engineering	978-93-5757-106-7
4	D.Ajith Kumar	Effect of Ammonia Nano Particle on Outcome Characteristic of an agricultural Diesel engine Powder by Waste cooking oil Bio diesel Blends	RRASE College of Engineering	978-93-5757-106-7
5	D.Ajith Kumar	Effect of Bio Ethanol Nano Particle on Outcome Characteristic of an agricultural Diesel engine Powder by Waste cooking oil Bio diesel Blends	RRASE College of Engineering	978-93-5757-106-7
6	M.Sugadeva Boopathi	Revolutionizing Efficiency Dual Fuel Engines With Petrol and LPG Gas for Today Applications	RRASE College of Engineering	978-93-5757-106-7
