Agenda:

1. Welcome address and introduction of Academic Council members.
 2. Submission of Board of Studies meeting minutes for approval
 3. Discussion on the 2024 regulations and the curriculum of UG and PG programmes
- The chairman of the council welcomed all the members for the first academic council meeting and extended heartfelt thanks to all the members on behalf of the management for accepting our request for being the member of the council to share their expertise towards formation of academic policies to achieve excellence.
 - The chairman of the council delivered a presentation on the highlights and achievements of the institution followed by the outline of the curriculum structure and the regulations for UG and PG programmes, to be followed from the academic year 2024-25.
 - He has highlighted the split up of total credits among the courses related to Basic Science, Core, Programme Electives and Open Electives. Also insisted on the importance given to project based learning by including the mini project of one credit up to sixth semester, followed by the major projects in 7th and 8th Semester of the UG programmes as suggested by the members during the board of studies meeting.

Suggestions from Academic Council Members:

1. Orientation to be given from the academicians and Industry experts for “Fundamentals of Cloud Computing”
2. The split up on the total credits to be earned for the award of the degree under different categories like Basic Sciences, Core, Professional Electives, Open Electives may be included in the regulation also.
3. Detailed description on the eligibility and minimum requirements for the award of MINOR DEGREE may be included in the regulation.
4. Discussion on the implementation of strategies regarding the evaluation of mini projects, internship and project works, by the members of the council and arrived at the final scheme of evaluation to be followed.
5. Discussion related to offering open electives arrived at the conclusion that each department shall offer three subjects as open elective from their domain, and all these will be consolidated as common open electives for all the departments.
6. Academic Council members suggested to have the duration of the Internship should be minimum of 2 weeks for lower semesters and it may go up to 12 weeks for Internships with Projects in the industry in higher semesters.

Finally, Dr. Shenbaga Ezhil, IQAC Director, concluded the meeting with vote of thanks.
